

Inside you will a recording of the Civil rights Lecture that was given by Paul Arthur, professor of politics at the University of Ulster and by Lord Paul Bew professor of Irish politics at Queens university. Also present on the platform were Mr John Hume former chairman of the Derry Citizens action committee and Mr Ivan Cooper former Vice Chairman

The meeting was very well attended. The lecture room was packed, over a hundred people there. The quality of the lecture from the two main speakers was excellent. John Hume and Ivan Cooper were in excellent form. A very lively question and answer session took place after the main speakers had said their piece. The general feeling of the people who attended the meeting was that it was both a very worth while and informative meeting.
